Visit to Rohingya in Milwaukee *by Linda Lyke*

On Saturday, August 15, Renee and Caleb Sanford and Linda and Jim Lyke headed to Milwaukee to

visit the Rohingya refugees that Pastor Bob Andrews of Devon Oasis has connected us with. We brought them

the many diapers you all donated from our diaper drive and also the school supplies that you all packed in pencil boxes on August 1st. It took 2 vehicles to bring all of it! This mosque is generally lower income and they can use the support and the love of Christ. This is an ongoing effort to build a relationship with them, and we are thankful that Pastor Bob has partnered with us so we can get to know them.

Learning about another culture is fun. An Imam is the prayer leader of a Muslim mosque. Renee, Caleb, Jim and I met the Imam at the mosque to drop off the supplies. Then he invited us to his home a few blocks away. Because of their hospitality culture, the Imam's wife cooked a spice-filled delicious Rohingya dish for us to enjoy.

Their home was abuzz with friends and relatives preparing for a party the next day. On Sunday, they were to have a big celebration for their daughter's im-

pending marriage, an engagement ceremony of sorts. They were

butchering the cow on the front porch that would be served the next day, also possibly as part of their religious ceremony? I don't know the details, as we have a lot to learn. Their home is full of beautiful fabric and items of their faith, Islam.

They truly are so grateful to receive our support and friendship and asked for us to pass that on to our church. We are in the relationship building stage but our ultimate goal is for them to know the true giver of all these gifts, Jesus. Please keep these lovely people in your prayers, for good health, for their physical needs to be met and most of all, their eternal needs.

Fall Quarter Grow Group *by Linda Lyke*

Shanny Snyder, Melissa Lade and I would like to personally invite you to come to the Grow Group that we are facilitating each Saturday from September 5th to November 21st at 9:00 a.m. on zoom. Watch for an email from the church to find the zoom link for this online class.

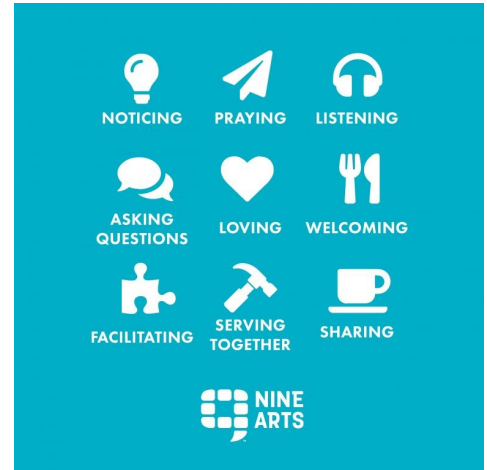

The 3 of us ladies have been leading Q Place groups for 4 years now. Q stands for Questions about faith (qplace.com). It is a safe, non-judgmental group where you invite people who believe differently – a place to discuss life, God and the Bible.

Jesus has done amazing work as we've seen ladies come to faith through this open environment.

But our Grow Group will be different. In it, we discuss the book Primer: Practicing the 9 Arts of Spiritual Conversations, also offered through Q Place. These 9 arts are simple ways to carry out our mandate of the Great Commission. I like the 9 Arts because any believer can take small steps to make progress in sharing faith. Join us in this amazing walk with Jesus, to follow Him in a deeper way.

Here's a great summary from the9arts.com:

THE 9 ARTS OF SPIRITUAL CONVERSATIONS

You can think of the nine arts in groups of three:

- 1. Getting Ready:** Noticing, Praying, Listening
- 2. Getting Started:** Asking Questions, Loving, Welcoming
- 3. Keeping It Going:** Facilitating, Serving Together, Sharing

Primary Grow Groups for the Fall

Our Preschool and Primary Grow Groups (K - 6th grades) will not meet in person for the month of September. We will evaluate the situation on a month-by-month basis at this point to determine when we can safely meet in person to continue our journey through the Bible with the Gospel Project. If you desire materials or ideas for leading your children in Biblically-based teaching or devotions at home, please contact Angie Mullen at asmullen92@gmail.com.

The Nursery will also be closed for the month of September.

It's Time for Awana Awards! *by Angie Mullen, Awana Director*

We have had to wait far too long to recognize the extraordinary work 20 Awana clubbers did in the 2019-20 Awana club year! They completed their handbooks by memorizing God's Word and demonstrating various discipleship tasks related to those verses. About ¼ of that work had to be done on their own this spring! We are very excited to present them with their awards for this achievement on **Sunday, Sept. 13 at 4:00**. All clubbers present will receive a certificate for their participation, so even if your clubber didn't quite finish their book in this crazy year, they should plan to be a part of the celebration. We

will also get to say "Well done. We will miss you." to our largest group of 6th graders we have ever graduated from Awana. Five of them will receive Timothy Awards – another record for our club.

We will gather outside in the green space to the east of the church for our Awards program. Families and friends are asked to bring their own lawn chairs or blankets and spread themselves out for this short program. We will also bring our Awana Store to the lawn and, with careful social distancing and specific rules for shopping, all clubbers will be able to shop. Cubbies and Sparks will be choosing their

year-end prize from their table and T&Ters will be able to spend their punch cards at their store.

This is a wonderful chance for our church family to encourage our clubbers. If you are free on Sept. 13, please plan to join us on the lawn for this celebration.

**In the event of rain, we will give out Awards in a drive-by format. This announcement will be made on our Facebook page and through our club email list. Contact Angie at 608-295-6484 if you have questions about the status of our celebration that day.

Update on the 2020-21 Club Year

As our situation and circumstances surrounding the pandemic is fluid and ever changing, we are doing our best to plan for the start of the 2020-21 Awana Club year and yet remain ready to change those plans as time reveals the need.

Our hope is to **begin meeting with our clubbers**, in person, at church on **Wed. Oct. 7**. We are developing a plan for club nights where we feel confident that we are doing everything we can to keep both children and staff safe, while still being able to lead children in growing their relationships with Jesus. Please stay tuned to our club email and Facebook page <https://www.facebook.com/Milton-SDB-Awana-Club-247564061951216> for updates on how that will happen. We are considering what online or virtual options can be made available for our families who wish to continue their participation in Awana from home. Again, stay tuned for those details!

We really need to hear from all our Awana families to help us plan effectively. If you haven't already let Angie or another staff member know of your family's intention to participate this year, either in person or virtually, please contact us right away! You can email us at awanaclubs@miltonsdb.org.

Registration for the new club year will take place before and after our Awards Ceremony on Sunday, Sept. 13 on the church lawn, beginning at 3:00 pm (The awards will be given out at 4:00 on the church lawn). We will take special precautions in helping our families complete the registration process. Handbooks will be available for you to take home with you at this registration event.

Prayer Focus – Our Schools *by Renee Sanford, Prayer Coordinator*

We are a praying church! Prayer is integral to all we do—a lifestyle not an activity. We are committed to ongoing prayer for Milton’s children, their families, their teachers, and the schools where they spend so much of their time. This is particularly critical this year due to the COVID pandemic.

PRAYERS for MILTON’S SCHOOLS

May Jesus be glorified this school year in our communities

May your word—your truth—penetrate & permeate our schools

Keep everyone safe and healthy! LORD, we ask for your blessing and peace on Milton’s Schools, the 660+ staff and 3,300+ students:

Harmony, Consolidated, East & West Elementary Schools
Northside Intermediate & Milton Middle School
Milton High School & MECAS alternative High School
Blackhawk Tech, home schools, & other area schools

PRAYERS for FAMILIES

May every home in the 100 square miles of the Milton School District be a place of peace and nurture

where you are known as Lord and Savior. Give parents wisdom in decisions on public, private, home, in-person, or remote learning

Keep them alert to their children’s struggles – let them be encouragers
Meet the financial, emotional, physical, and spiritual needs of families

PRAYERS for STUDENTS

Help students adjust to new school environments & continue to build friendships

Encourage respectful relationships with teachers, parents, and each other
Guide Christian students to grow in wisdom and faith. Help them discern truth from falsehood where teachings conflict with Biblical values

Bring unbelieving students to a saving knowledge of Jesus

Provide encouragement and healing for students with emotional, physical, or family issues

May there be great progress in learning despite the logistical challenges

PRAYERS for TEACHERS, LEADERS and STAFF

Provide wisdom and insight in guiding students as situations continue to change

Give Christian staff opportunities to share their faith – may they be salt and light

Let our schools respect religious liberty and biblical values

May there be grace and empathy for troubled students

Provide wisdom and courage for the School Board and administrators as they make difficult decisions with no easy answers

Let encouragement and support pour forth abundantly from the community

Provide the resources needed for education this year

Help everyone cope with the stress – fill their lives with peace and joy

Challenge Question:

If God were to take my prayers from over the last 6 months and He answered them all, would the world be radically changed for Christ?

World on Mission

by Linda Lyke, Outreach Coordinator

In "World on Mission," I share a bit in each newsletter what I learned in the Perspectives on the World Christian Movement class – because God calls ALL of us to have a part in his mission. What is his mission?

"God is on mission to be loved, served and worshiped by people from all humanity." (Perspectives Study Guide - PSG, pg. 4)

In Genesis 12:1-3, God makes a promise to Abraham that is "both personal and immensely global: to bless all the families of the earth." This promise emphasized more of what God would do than what Abraham was expected to attempt. The outcome that God desired would impact ALL the world's people. This promise included land for Abraham's people, descendants as numerous as the stars in the sky, and a blessing. The promise and blessing, went far beyond Abraham's lifetime and stretches to us today, the believers in Christ. (Source: Perspectives Study Guide, page 2)

In John Stott's article, "The Living God is a Missionary God," he sums up the fulfillment of the promise to Abraham:

First, He is the God of history: History is not a random flow of events, for God is working out in time a plan which he conceived in a past eternity and will consummate in a future eter-

nity. In this historical process, Jesus Christ as the Seed of Abraham is the key figure. Let's rejoice that we are Christ's disciples, we are Abraham's descendants.

Second, He is the God of the covenant: God is gracious enough to make promises, and he always keeps the promises he makes. He is a God of steadfast love and faithfulness. All God's promises come true, but they are inherited "through faith and patience (Hebrews 6:12).

Third, He is the God of blessing: "I will bless you," He said to Abraham (Gen 12:2). "God...sent him (Jesus) to you first, to bless you," echoed Peter (Acts 3:26). His principal and characteristic work is to bless people with salvation.

Fourth, He is the God of mercy: I have always derived much comfort from the statement of Revelation 7:9 that the company of the redeemed in heaven will be "a great multitude which no man could number." Although no biblical Christian can be a universalist (believing that all mankind will ultimately be saved) since Scripture teaches the awful reality and eternity of hell, a biblical Christian can – even must – assert that the redeemed will somehow be an international throng so immense

as to be countless. This is the fulfillment of God's promise!

Fifth, He is the God of mission: The nations are not gathered in automatically. If God has promised to bless "all the families of the earth," he has promised to do so "through Abraham's seed" (Gen 12:3, 22:18). Now we are Abraham's seed by faith, and the earth's families will be blessed only if we go to them with the gospel. That is God's plain promise.

So I leave you with the challenge to pray, asking God what your part is in bringing glory to him through this "plain purpose" that Stott mentions above – to bring all peoples to know Him. Read about the Grow Group (in this newsletter) on Saturday mornings that a few of us are facilitating, about how we can take simple steps in the Great Commission, bringing Jesus into people's lives.

Never cease to pray about your role in the Great Commission: Matt 28:19-20a Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you.

Operation Christmas Child

Samaritan's Purse is moving ahead with the annual shoebox project, to ship boxes to children all over the world. **We are planning to do our packing party on Sabbath, November 7th.** The packing tables will be spaced throughout the church in order to socially distance people in filling their shoeboxes.

Children all over the world need the gospel message that comes with this fun-filled shoe box. The box has a practical and joy-filled impact, but more importantly, an eternal impact. Samaritan's Purse provides classes for the children and their families to share the only truly satisfying story – Jesus' story.

As you see deals online or start to get out to stores more, ramp up your purchases of toys and fun items to pack those boxes full this Christmas. Drop items off at church in the trunk on the back stairwell. **We are behind on our collection of items, since our church and stores were closed for awhile. So any of these items are needed!**

Homemade kits: fishing or sewing kits, clotheslines

Non-Liquid Hygiene Items: toothbrushes, small tissues, mild bar soap, wash cloths, brushes/combs, fun Band-Aids, lip balms

Extra Accessories: hair clips, bows or ties, girls' bling, watches, toy jewelry, stickers, lipstick, compact mirrors, children's underwear or shoes

Summer Items: children's t-shirts (plain, no writing), small flip flops or slip-on sandals, smaller balls, uninflated soccer balls & pumps, jump ropes, summer toys, sunglasses, hats/ball caps

WOW Items (fun special gifts): small cars, small dolls, small stuffed animals, small toys (puppets, trucks, small etch-a-sketch), kazoos/harmonica, yo-yos/Slinkys, small Lego kits, play doh, small games, toys that light up or make noise (with extra batteries), flashlights, musical instruments, playing cards, glow sticks

School Supplies: pens/pencils, colored pencils, pencil sharpeners, crayons, markers, large notebooks, small notebooks (3"x4"), solar calculators, small coloring/picture/sticker books, erasers, dry paint sets, scissors, glue sticks, stamps/ink pads

Cross Conference *by Linda Lyke, Outreach Coordinator*

Because of COVID-19, the Cross Conference will be online this year.

Bethany and Micah Crandall and other young adults are in the planning stages to participate as a group in this young adult, mission-focused conference at the end of this year.

Contact them if you want more information:

GIFTS *by Beau Gilmore*

GIFTS has been greatly affected by the COVID pandemic. The shelter had been closed to all volunteers until the middle of June. They have not taken in any new guests, and with several men leaving for a variety of reasons, they now have 7 men staying there. Churches are still providing meals and services on a weekly basis, with an option of dropping the food off or serving it. All volunteers need to wear face masks and get their temperature checked upon entering.

There have been some personnel changes as well. The new director, John Koesema, has begun working. Tim and Michelle B. left for a new job

so Dave Ellis has taken over Tim's duties until someone can be hired for that position.

The GIFTS retail store, at the old Black Bridge Bowl, is scheduled to open up in mid-Sept. It is my understanding that they will be accepting donations of all goods, except furniture or mattresses. Many of the men will have a chance to work at the store. There is a great deal of excitement about the store. The plans have been in the works for over a year. This just seems to be the next step in God's plan for the GIFTS ministry.

Sept. 19 is the day for the annual GIFTS golf outing at Prai-

rie Woods. If there are any golfers out who would like to play, give me a call.

Our church is scheduled to serve meals during the week of October 5th through 8th on Monday, Tuesday, Wednesday, and Thursday. I am unsure if we will need to provide overnight workers.

The GIFTS ministry has been very fortunate to have escaped any major problems with the Corona virus. There has been a great deal of prayer that has been given to keep the shelter safe, and more prayer is needed. God continues to work with the men in the shelter to improve their lives.

News from Nathaniel

It has been an exciting and eventful month! Naomi and I are engaged! Praise Jesus! After 5 years of dating, it is time. We are waiting for papers so we can set a date. In Germany they do it in two parts. The first is a civil wedding at the courthouse and later a church wedding among believers. Please pray for all the logistical details as we prepare, and for Naomi's job and my financial support to meet our needs.

Last month was a bit slow with skate ministry – we've been going through some heat, heat, heat. Please, LORD, give us joy and motivation to reach out to locals and move them to respond to the gospel.

I've been experiencing recurring stomach problems and would appreciate prayers to get it back to normal. Maybe marriage will help! Thank you again for all your prayers and support – it means so much. Lots of love! Nathaniel

During the quarantine, we all worked on creating paintings, collages, photos, videos, drawings, and songs. On July 25th we hosted an art exposition and invited our friends to come to see what we've been working on – what a blessing.

The Barcelona Youth With A Mission base where I work has been in dire financial need – we count on income from renting rooms as a youth hostel – income that didn't come in during quarantine. After a few weeks of prayer about this, we decided to end our lease and move to somewhere less expensive. We are praying for a small office area, a classroom, a dark room and space for an art studio.

Most of Spain shuts down for a couple of weeks in August, so we will be traveling in northern Spain. May God bring us opportunities to share the gospel!

Please pray for our finances, for Mikotaj (a Polish skater we have been witnessing to), for David (a new believer), for a safe trip and for my health. Many blessings - Zac!

Zac the Artist

Koinonia Thank you Note to Milton SDB Church,

Thank you so much for everything you did to support the Koinonia Singers this year. Our trip truly would not have been possible without your generosity in hosting our practices, two performances, many overnights and providing food. We are so grateful to you and pray that you were blessed by the message of our performance. We pray the Lord would continually show you that true belonging can only be found in Him!

God Bless!, the 2020 Koinonia Singers & Larry Schultz, Director

Cough *by Barb Green, Parish Nurse*

Coughing is something that affects everyone. It is a reflex that keeps your throat and airways clear. Although annoying, it helps your body heal or protect itself. Coughs can be acute, subacute or chronic depending on the length of time they last. Acute coughs begin rapidly and are usually due to a cold, flu or sinus infection. They typically go away after 3 weeks. Subacute coughs last 3-8 weeks; chronic coughs last longer than 8 weeks. Some coughs are dry while others are productive which means they bring up mucus.

Causes of chronic cough include:

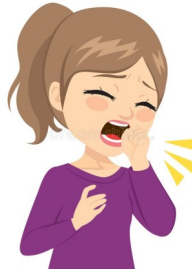

- Chronic bronchitis
- Asthma
- Allergies
- COPD – known as chronic obstructive disease
- GERD or gastroesophageal reflux disease
- Smoking or exposure to second hand smoke
- Throat disorders like croup in children
- Lung infections such as pneumonias or acute bronchitis
- Sinusitis & postnasal drip
- Lung cancer
- ACE inhibitors which are used to treat high blood pressure, heart failure or kidney diseases. Examples include lisinopril, enalapril, calapril & lotensin.

A simple way to ease a cough is to drink water or add it to the air with a steamy shower or va-

porizer. Drinking plenty of fluids helps thin mucus and makes it easier to cough up.

Antihistamines may work better than non-prescription cough medicines if you have a cold or the flu. Children under 4 should not have cough medicine or cough drops. For those over 4 read the labels carefully and use caution. Over the counter medications which may help include guaifenesin which helps break up mucus. Many cough syrups contain this. Do not take more than the package recommends. Be sure to drink plenty of fluids when you take this medication. Decongestants help clear a runny nose and relieve post-nasal drip. If you have high blood pressure check with your health care provider before taking a decongestant. Even though an over the counter cough medicine is labeled for children you should check with your pediatrician before giving. They likely do not work for children and can have serious side effects.

Those with allergies should stay indoors when airborne allergens are high. Keep windows closed and use an air conditioner. Fans that draw air in from outdoors will make a cough worse. Shower and change your clothes after being outside.

Those with year-round allergies may want to cover pillows and mattresses with dust mite covers, use an air purifier and avoid pets with fur and other triggers.

Call 911 if you have shortness of breath or difficulty breathing, break out in hives or have a swollen face or throat with difficult swallowing. Contact your health care provider if a person with a cough has any of the following:

- Heart disease, swelling in the legs or a cough that gets worse when you lie down (signs of congestive heart failure)
- Is an infant younger than 3 months
- Cough that lasts longer than 10-14 days
- Cough that produces blood
- Fever
- High pitched sound when breathing in
- Yellow-green phlegm

Your health care provider may ask you when the cough began, what it sounds like, if there is a pattern to it, what makes it better or worse or what other symptoms you have.

Fall is approaching and that brings cold and flu season. To avoid these unpleasant diseases, remember to maintain a healthy lifestyle and get a flu shot. If you do get sick remember to use some of the tips in this article. Have a healthy fall!
