1 Thessalonians 5:1-11

Jesus is coming back! Christians know this for certain, but not when it will happen. Our job while we wait is not to engage in anxious speculation, but instead to work and witness faithfully while we watch and wait expectantly.

- 1) Christians are to live with **EXPECTANT HOPE**

- 2) Christians should get **READY**

- 3) **SERVICE** not **SPECULATION** is the proper preparation for the Day of the **LORD**
